QUOTES

"Pezzotti is exquisite, caressing and stretching the lyric in the manner of the masters."

–ALL ABOUT JAZZ

"Ashley Pezzotti is a 'singers singer'. Not only does she deliver timeless melodies (Standards and her original compositions), she has also mastered the art of 'scat singing' and can hold her own with any horn player."

–MARCUS PRINTUP, JAZZ AT LINCOLN CENTER ORCHESTRA

"The narrative of life, love and promise conjure the sensibilities of a bygone era, something particularly impressive for a 23-year-old vocalist [...] A sound band, promising voice, excellent song selection and writing mark Pezzotti as a performer to watch."

–DOWNBEAT MAGAZINE

"With a driving band in step behind her, this set of originals show why she's been such a comet, rubbing elbows with the best and taking home recognition in her wake. "

–MIDWEST RECORD

"...That's Pezzotti's one-two punch, that she wrote many of these songs and made them sound just like those jazz standards. In a way, she tricked me, and I'm impressed."

–THE VINYL ANARCHIST

"Her intonation, the clarity of her phrasing, her vocal dynamics, and her timing are impeccable, and she is also a wonderful songwriter inspired by the American Songbook..."

–JAZZ & BLUES REPORT

"She is a gem with a maturity seldom found in 23 year olds."
